Alvin Wang, Brand Event Planning Supervisor of Great Leap Brewery (Beijing)

首先, 非常感谢受邀参加2022CBCE亚洲精酿展。此次展会除一些知名精酿厂牌外, 我们也看到了众多新生厂牌的力量。大跃作为北京本土第一家精酿品牌, 自我发展的同时也见证了中国精酿圈的光辉历程。从不被大众接受到小众文化, 从小众文化到逐渐被大众接受, 这永远离不开所以精酿人的每一份力。在此, 感谢CBCE提供了这个舞台, 让各厂牌可以一同举杯畅饮。期待明年再见。

First of all, we are so appreciated for being invited to CBCE 2022. In addition to some well-known craft beer brands, we also saw the power of new local brands at the show. As the first local craft beer brand in Beijing, Great Leap, while developing itself, has also witnessed the glorious history of Chinese brew scene. From craft beer being accepted by few people to turning to a niche culture, and to gradually being loved by public, this can never be done without every effort of craftsman in craft beer industry. I would like to thank CBCE for providing this stage for all the craftsman in craft beer industry to raise their glasses and drink together. We look forward to seeing you next year.

Under the continuous influence of epidemic, it was not easy for CBCE to insist on moving to Nanjing and holding it as scheduled. Although exhibition scale has been reduced, but the quality is no lower than before. I can say it is comparatively successful among the professional exhibitions being held this year. 每年都参加CBCE精酿展, 今年依然不能错过。本次展会看到了精酿厂牌的新发展, 无论技术进步, 新技术尝试, 还是向更下沉的用户群扩展, 都有十分精彩的内容; 在设备方面我们也开了眼界, 做了选购, 本次精酿展对我们建设新厂有非常大的帮助; 在原料方面我们看到各厂家的新品, 对未来的开发也很有助益。CBCE在疫情时代依然艰难努力, 这也让我们精酿人很感动, 祝未来的CBCE越来越好!

We attend CBCE every year, and of course we couldn't miss it this year. We saw new developments in local craft beer brands on the exhibition. Whether the new technology or the expansion to lower-tier user base left us deep impression. In terms of equipment we also broadened our horizons and have made several purchases, helping us a lot in building our new plants. For raw materials, we saw new products from various companies, which was also beneficial for our future development. We are so moved that CBCE is still working hard in the epidemic period.
